WHY

Over the past year, residents, hospital employees, agency staff, and stakeholders have shared their vision and views on the future of the Olive View-UCLA Medical Center Campus community.

Feedback pertaining to health and wellness, campus uses, physical environment, as well as economic development opportunities were critical in helping to develop the final plan. Thanks to your support and participation we will now have a plan to guide development at Olive View- UCLA Campus over the next 50 years.

Come learn what the next steps are in the planning process.
